📄 About Me

I am a quick learner with hands-on experience in developing, deploying, and maintaining web applications using Laravel, PHP, MySQL, JavaScript, AJAX, and Bootstrap. I have practical knowledge of database management, REST API development, and system optimization. I actively use AI-assisted tools to improve productivity and code quality. Passionate about continuous learning and problem-solving, I enjoy building scalable and efficient solutions that create value for users and organizations.

📁 Work Experience

Webase Solutions (August 2025 to Present)

Post: Junior web developer (PHP & Laravel)

VoteMatrix – Election Management System

PHP, Laravel, MySQL, JavaScript, Ajax,

jQuery, Bootstrap
